

SCIENCE AFTER SCHOOL PROGRAM

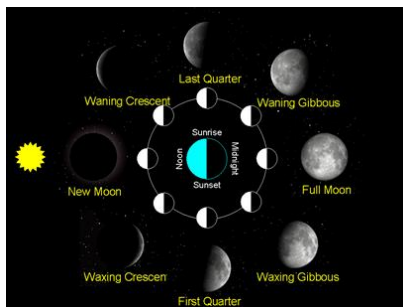

Join us from 3:30-4:30pm and engage in learning science outside the classroom spring 2017 5th grade dates

Thursdays 3/2, 3/16, 3/23

Activities led by education majors from the university

We will learn about: Moon phases, how nutrients work and how to make a model of a tooth

Sponsored by NC A&T State University

Dr Barbara M. Butler
