

Guilford Preparatory Academy  
Meeting of the Board of Directors  
October 26, 2017  
6:30 pm  
K4 Multipurpose Room

Meeting called to order at 6:35pm by Mr Woods. Members present Dr. Regina Williams Davis , Dawn Popple, Alton Woods, Dr. Robin Buckrham, (non-voting)

Minutes from previous meetings will be shared at the November meeting for approval.

Mr Woods reviewed budget savings report from Finance Dept. We will experience a significant savings in the areas of lawn care, copiers, and custodial services that will total approximately 20k. Acadia sent over the September budget reconciliation during the meeting so the Board will adjust the budget based on the savings discussed in this meeting and resubmit to Acadia to get a more accurate record of our current spending.

#### Principal's Report

Dr. Buckrham updated everyone on first quarter activities and progress. Discussed the field trips and possibility of lowering costs of the field trips. Spoke with parent who was present who presented information about being able to get our trip for 85.00 at the last meeting. She was unable to get the same trip for 85.00. She did report that she gave information to our field trip coordinator so she could contact the bus company. She found that the bus company was able to offer a similar trip for about 100 less. Our field trip coordinator reported to me that she had made an initial contact but the bus company rep has not responded. Dr. Williams-Davis made a motion to accept the Principal's Report. Mr Woods seconded the motion. Motion passed unanimously.

Old Business-Already discussed old business in Principal's Report which was the follow up on the field trip prices.

The Board took questions from those parents and teachers who were present who had questions or comments.

New Business-Mr Woods announced that he received an email from Alexis Schauss regarding our school growth recognition and monetary award for the Principal. GPA is in the top 20% of charter schools in the state for our growth and Dr Buckrham was awarded 2000 in recognition for the growth the school achieved.

Mr Woods made a motion to adjourn the regular Board Meeting. Dr. Williams-Davis seconded the motion and the motion passed unanimously.
