

Unofficial Minutes

Guilford Preparatory Academy

Board of Directors

Open Session Meeting

September 30, 2014

6:00pm

Meeting was called to order by Alton Woods, Board Chair. There was quorum check. There was not a quorum. Members in attendance were Thursday Rice, Alton Woods, and Robin Buckrham.

Minutes were not accepted as there were not enough members in attendance to vote to accept them. Minutes for all previous meetings that have not been approved will be approved at the October Board Meeting.

Mr Woods shared the Board’s strategic plan for the next three years. The strategic plan addresses three key areas of our school program, Finances, Academics, and Technology or F.A.T. Mr Woods shared our plans to increase our revenue by increasing student enrollment, fundraising, and finding other streams of income that will help us continue to be fiscally sound. Secondly, he shared with them the focus on academics that we all share as Board members and making academics a priority in order to increase test scores. A key area that will aid us in this is the technology piece. He talked about how we have equipped our computer labs and future plans for students to have their own devices in middle school. After he finished he entertained questions from the public audience in attendance.

The Principal’s Report was given by Mrs Buckrham. She reviewed Title I policies and information about our school-wide Title I Program. She gave an update on our AMO Targets to the public and explained what it means to be a Title I school and operate a Title I Program. She answered questions from the public about our test scores and the AMO Target Goals and waivers that NC received.

Mrs Rice made a motion to adjourn the open session meeting at 6:30pm. Mr Woods seconded the motion. The motion passed unanimously.

There was no closed session meeting. Closed session will be scheduled at a later date.
